

# First Step Family Support Center presents: Child Passenger Safety in Clallam County

**8 out of 10 car seats are installed  
incorrectly! Is your child safe?**

**Collisions happen every day. We can help you  
ensure your child's safety through education  
and help with a new car or booster seat.**

To inquire about our program, to check your eligibility for car seat assistance, and to make an appointment for a car seat inspection, call jacki at First Step Family Support Center. (360) 457-8355
