Position Summary

The Parent-Child Assistance Program (PCAP) is an intervention for high-risk women and their families. Reporting to the PCAP Clinical Supervisor, the case manager will provide direct outreach, home visiting and advocacy services to women who have used alcohol and/or drugs during their pregnancy, and to their children and other family members when needed.

Position Duties and Responsibilities

- Manage a caseload of 15 to 20 clients and their families
- Perform case management activities according to PCAP policies and procedures
- Assist clients in setting goals based on their individual needs assessments
- Conduct home visits, at least twice per month
- Work closely with other community service providers to coordinate services
- Provide transportation as needed
- Provide outreach services to locate missing clients and engage them in the program
- Participate in scheduled supervision, staff meetings and required training
- Collect and enter data online
- Keep client files
- Other duties as assigned

Education and Work Experience Requirements

- Minimum Bachelor's Degree in Social or Human Services and two years of community-based experience
- Must attend 2 to 3 day out of area training
- Demonstrated ability to work effectively with high-risk mothers and their families

- Strong communication skills
- Maintain confidentiality
- Valid driver's license, vehicle and ability to travel on a daily basis
- Individuals in recovery must a demonstrated minimum of six years clean and sober living.
-

Physical Requirements

- Ability to safely and successfully perform the essential job functions consistent with federal, state and local standards, including HIPPA compliance
- Ability to maintain regular, punctual attendance
- Must be able to lift and carry up to 20lbs and navigate stairs
- Must be able to talk, listen and speak clearly on telephone
- Successful applicant must have dependable vehicle, current driver's license and auto insurance
- Must be able to pass a background check
