### **PUBLIC HEALTH NURSE I – Public Health**

Jefferson County Public Health is recruiting a BSN-prepared Public Health Nurse I to serve families and engage community connections in the expanded regional **Nurse Family Partnership (NFP) Program**. NFP offers intensive nurse home visiting services to first-time mothers with the goal of improving health and child development outcomes while supporting family self-sufficiency. This nurse will be located in Port Angeles, WA serving **Clallam County** and will receive individual/regional nurse team support offered through Jefferson County Public Health.

**This position is 20 hours per week, UFCW Grade 32, Step 1-3, starting wage of \$24.51-25.75 DOE with full benefits.**

The selected candidate will demonstrate willingness and desire to work collaboratively within a team and the ability to work independently with families who may present with complex health and social histories. The selected candidate will also participate in mandatory training at the Nurse Family Partnership National Service Office in Denver, Colorado shortly after hire. Once trained, the nurse's responsibilities will include caseload management, assessments, care planning, documentation, data collection, client education, and outreach.

#### **Education and/or Experience**

Public Health Nursing Certification and/or Bachelor's degree in Nursing (BSN), Washington State Registered Nurses License, and WA State Driver's License.
